

# Halloween Time

## THE SPELL IS CAST SEPT 15 – OCT 31

This year Halloween Time is bigger than ever because there are spook-tacular experiences in Disneyland® and Disney California Adventure® Parks.

Oogie Boogie appears when you enter Disney California Adventure® Park, casting a spooky spell that covers the Park with his twisted tale of Halloween. And for the first time ever, Cars Land is all dressed up for Haul-O-Ween. Meanwhile, over in Disneyland® Park, you can find some favorites like Haunted Mansion Holiday, Space Mountain: Ghost Galaxy and so much more!

All services, benefits, offers, attractions and entertainment are subject to restrictions and change without notice.
